

# MACOOM Youth Soccer Program

## FAQs

### **Who can participate in MACOOM soccer program?**

All Moroccan community members of Minnesota between the ages of 5 thru 15.

### **What is the cost to participate in the program?**

The cost will vary and will depend on the cost to run the program. MACOOM uses volunteer coaches with soccer playing experience and will only charge for facility rental, uniforms, and tournament cost.

### **Do you need to have a soccer background to join the program?**

No. Currently we have players with different soccer skill level, age, and gender. Everyone is welcome.

### **My son/daughter is an advanced player. Would it be beneficial for him/her to join the program?**

Due to the low number of participants, our program combines players with different skill level. We pay attention to players with advanced skills to make sure they are being challenged during the training session. For older kids, there is also a unique opportunity to become leader and help teach the younger generation the game.

### **How often do you train?**

Currently we only have one training session a week -(Sundays from 3:30-5:00 p.m. (See schedule for additional information). Depending on the number of players, level and interest, we might be able to add more sessions in the future.

### **What are your immediate goals?**

Community goals: We hope that by being together in a fun and nurturing environment, our kids will be able to get to know each other and form a friendship in and outside soccer.

Soccer goals: Our immediate goal is to be able to recruit enough players to form at least one boys and one girls team. We also would like to register for some weekend tournaments to play against other teams at the same age and level so our players can display the skills they learned during their training.
